jan 20 2024 nightshade is a new free software tool developed by computer scientists at the university of chicago allowing artists to poison ai models that train on their works

oct 31 2022 what is a nightshade nightshade is a colloquial name and not a technical one and is used to refer to many different plants most of the plants with the colloquial english name

here s everything you need to attempt to test nightshade including a test dataset of poisoned images for training or analysis and code to visualize what nightshade is doing to an image and test potential

the intention of nightshade was to target base model training models at the size of sd 1 5 nightshade adds horrible artefacts on high intensity to the point that you can simply tell the image was modified

my understanding of glaze nightshade is that they are a mechanism of withholding the finished version not a contributor to that finished version note readers would do well to notice the difference

oct 29 2023 as i see it all these tools like glaze and nightshade do nothing but hurt the open source community the free ai stuff that anyone can use create and learn with i ve seen so many people

with nightshade finally being released and some misconceptions seeming to rear their head up again i think it s time to briefly talk about nightshade and it s older brother glaze

jan 25 2020 also grow boom shroom need just rank 1 in gardening very fast plant small drop table so chances for deep mushroom are really good if going directly for nightshade grow burning

my take is by the time glaze or nightshade is widespread enough to actually affect scraping the genai technology would have moved on from scraping every single image on the internet to a more efficient

oct 5 2022 i farmed lord nightshade 100 times here s what i got decided to test my luck for

lord nightshade this halloween around disregarding all the useless trash he drops this is what i got that
